11th Annual Statewide College Convention for High School Juniors and Parents
Saturday, March 27, 2010

DC 2010

Sponsor Request
www.destinationcollege.org

Dear Sponsor,

The planning for **Destination College 2010** has begun! On **Saturday, March 27**, families will gather at Southern NH University in Manchester for the 11th annual statewide college convention! This day-long event provide workshops for parents and students featuring information about the college admission process, athletics, writing college essays, applying for scholarships and financial aid. The day includes a keynote address, scholarship awards, college fair expo and a luncheon.

This "First Class Event" hosts **1,200 college-bound students** and their parents annually and is **FREE** to all who attend. As you can imagine a college outreach program of this magnitude is very costly. In order to help defray the costs associated with the event, we are asking you to consider participating as an exhibitor during the college fair expo. It will serve as a great opportunity to share information about your products and services with college-bound families.

The college fair expo is from 11:30am-1:00pm.

As there will be no on-site registration, we are asking you to complete this registration by Friday, January 29, 2010.

Questions?

Contact Bianca by email:
bholm@gsmr.org
